

Introduction to Bawburgh Golf Club Veterans Section

Welcome to Bawburgh Golf Club Veterans Section.

Veterans day is on a Tuesday where we have competitions around fifty weeks of the year; these can be individual, pairs or team events.

The full schedule of events can be found in the Vets' Section Diary which you can find on the website or Teamup.

The joining fee for the section is £3.00 per year; this helps the section run and provide its members friendly and competitive golf. Fees are taken off when you join and then at the start of January each year after that.

Competition fees are in the main £3.00 and in general 70% is paid out in prizes through divisions depending on what event is being played. Many events will have a Nearest the Pin prize and an optional birdie 2's competition as well.

Our main events of the year are our Veterans Masters which is played in May and our Veterans Open in July. One of our most popular events is the 'Simmo's Salver' which is played over ten rounds throughout the year. To increase the already strong and friendly section, the tee slots are shuffled so you can meet new or other members.

There is a Singles Summer Knockout competition, a Winter Pairs League, twice a year we have an internal club match with our Ladies section and a Vets Captains Day.

We enter a team of eight into the Counties summer knockout event, The Barnard Trophy and also a team of eight into a Vets over 60's winter competition, The Hodds Salver knockout.

Our inter-club matches are very popular as we have the opportunity to play other clubs throughout Norfolk and Suffolk for an extremely favourable fee. Usually the cost falls around twenty two pounds and includes shower / changing facilities / a game of golf and a meal. At all of the clubs a green fee would cost more! These days are not confined to Tuesdays. If you would like to play in these matches please sign up using the following website: www.bawburghvets.co.uk

We operate under a committee of six and your contact details for the Secretary & Captain 2025 are as follows:

Owen Williams: Secretary - owen.williams21@btinternet.com

Martin Jermy: Captain - martinpjermy@outlook.com

We welcome all new members. Please ask Golf Reception to book you a tee slot with a member of the committee for your first game if you haven't a contact within the section already.
