Please contact us if you require anything outside of these times, we will do our best to accommodate you.

Glen Lodge is also open for food and drinks until 5pm. As we host a number of private weddings and events we do advise booking a table if you require lunch or a sundowner on the patio, as these areas may be restricted in peak seasons.

Unfortunately, **Glen Lodge does not offer evening food service.** However we do have some fantastic local eateries, which can be found in our welcome information on our website, along with our local information, activities and useful contacts.
