Aiden & Lucy

"Glen Lodge was the first and only venue we looked at for our wedding, and we knew on our first visit we wouldn't find better. Not only is it a stunning location with beautiful features, but it's the people who work there that make the place what it is, who all went above and beyond for us. The whole planning process was made enjoyable and stress free by Rebecca who is a real credit to Glen Lodge, and we are so thankful to her and Jodie for making our day go so smoothly."
